

# You were there. Let's tell that story.

We are building the Hamilton 2SLGBTQ+ archives with the public library. It starts with the Michael Johnstone fonds, decades of documents and photos of organizing, fighting, and celebrating in Hamilton. It won't be complete without your stories. Join us in October for a queer archives workshop to learn more, and how you can help.

**Saturday, October 29th, 10am - 5pm**  
Hamilton Public Library, Central Branch
